DID YOU KNOW?

MTPL has fun activities and helpful books for your family...

- **March is #MakerMarch at the library!** Pick up an age-appropriate bag (Ages 3 through high school!) that contains materials and instructions for fun, do-at-home activities. One per child all month long!
- **Do you need a book to discuss a sensitive topic?** MTPL continually refreshes their Positive Parenting Section and general circulation to reflect family matters and current events. In their new Sesame Street book, **Washy Washy**, Elmo leaves enough space for "one (imaginary) Snuffleupagus" between himself and others. If you have any questions, the children's department staff are happy to assist you!
