

FAMILY NEWSLETTER

MAY / JUNE 2021

After a long secluded winter, we welcomed Spring and all the colorful changes it brought. Once Summer arrives, we will all be so ready to shrug off the backpacks and routines of the school year, and enjoy the long sunlit days. As preschool educators, we love the learning opportunity the great outdoors affords us, and we hope you will enjoy watching your preschooler make new discoveries in nature simply by spending time outdoors. Children are naturally drawn to explore the world around them. Learning that is driven from a child's natural curiosity is usually the most memorable. You can further your child's outdoor enjoyment by asking questions and setting them off to find answers.

While the children enjoyed an incredibly fun-filled school year, we did miss the many festivities we usually plan throughout the year. Involving our families is very much a part of who we are in our mission to create a wholesome learning community. We missed welcoming our families, and we hope we will be getting back to our traditional celebrations again soon.

We want to extend hearty congratulations to the Class of 2021. We are so proud of each and every one of them, and we wish them well on their next adventure on the learning path.

From all of us at LPP, we wish all of you a Happy and Healthy Summer!

CURRICULUM CORNER

Bugs & Insects - Insects offer a host of learning opportunities. Ant colonies and bee hives represent hard working communities. The metamorphosis from egg to caterpillar to butterfly introduce our preschoolers to life cycles and demonstrate changes in nature. The children are enjoying stories about insects, studying life cycles, observing them in the classroom and outside!

Summer/Graduation - Is it time to say goodbye already?!? We will miss the Class of 2021, but we wish them all the best! Remember to visit the library on rainy days or find a shady spot to relax and read a book. Play outside in the fresh air!

UPCOMING EVENTS

It has been an incredible year. Here are just a few events to end the year right...

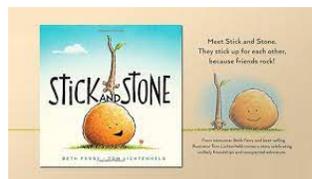

Butterfly Release Day

Excitement builds...our caterpillars are getting ready to transform!

Adventurers' Graduation Facebook Live

Thursday, June 10th
Congratulations to the Class of 2021!

BOOK LOOK

Our Summer Reading List will be emailed on June 7th. It will also be posted on the MTPL Website. We hope you will find plenty of time to curl up with a good book this summer.

Our Featured Author is Beth Ferry, author of *Stick and Stone*, and many other wonderful books! Beth Ferry will be visiting LPP in March 2022. For more reading fun visit bethferry.com
